

VIRTUAL ROADSHOW

UK · NETHERLANDS · SWITZERLAND · BADEN-WÜRTTEMBERG

01 DEC 2022 IN HEALTH CARE AND MEDICAL TECHNOLOGIES

WHEN

10.30am – 5.30pm CET Time

WHAT TO EXPECT

The virtual Roadshow connects leading AI and health care experts from Baden-Württemberg, Germany with international partners from the United Kingdom, the Netherlands and Switzerland. Not only the international focus but also the science and/or business backgrounds enable our speakers to provide an insight into best practice and state-of-the-art solutions, as well as latest research approaches. Informative panel discussions and inspiring keynotes therefore cover the broad spectrum of AI in health care and medical technologies. Overall, three thematic sessions will cover the following topics simultaneously:

Session A: AI in research for health diagnosis and prevention / AI in systems medicine

Session B: Ethics, data protection and data security in AI-based health care technology

Session C: Human-machine interaction in medical technologies

Register now **for free** and take advantage of this unique opportunity to generate new contacts and dive deep into topics around AI solutions for Science and Business in Health Care and Medical Technologies!
